

Remarks

Applicant has canceled non-elected claims 12-13 and 18-19, so only claims 1-11 and 14-17 remain. Applicant has amended claims 10, 11 and 17 to avoid informalities or indefinitenesses pointed out by the Examiner.

Applicant notes the provisional rejection of claims 1-5 and 10 on the grounds of double patenting over claims 1-8 of copending application 11/076,678 (applicant's docket CPI-0133). Applicant intends to limit claims in his copending application after allowance of the present application.

Favorable reconsideration of the application is courteously requested.

Respectfully submitted,
